WE LOVE OUR CNU STUDENTS! STUDENTS FIRST!

CNU Front Desk and Resident Assistants are already back on campus and gearing up for a fantastic fall semester. They recently attended CNU Key Traditions Training and shared their experiences into what makes CNU such a special community. Each student received a gift bag filled with goodies generously donated by Chick-fil-A, Wells Fargo, SunTrust and First Advantage Credit Union. Don't you just love the smiles?

METLIFE @ CNU: MetLife's representative, Brooke Larsen, will be on campus for individual 30-minute appointments on Tuesday, August 28th in the Office of Human Resources. To schedule an appointment, please call Ms. Larsen at (757) 312-0620 or email at blarsen@metlife.com.
