EVENING COLLEGE

ANNOUNCEMENT
EVENING COURSES
SUMMER SESSION

1968

Vol. 7 No. 4
March, 1968

GENERAL INFORMATION

The Evening College of Christopher Newport College offers basic, academic, college-credit and non-credit courses of the freshman and sophomore level for those who are able to study during the evening hours.

Accreditation policies of the College apply to both Day and Evening schools. Over 90% of the Evening College faculty are regular members of the college teaching staff.

FINANCIAL INFORMATION:

The tuition fee is \$15 per credit hour for ALL courses, including preparatory non-credit courses. There are no other fees. AUDIT fee is \$5 per credit hour. AUDITORS are those students who desire to attend a class or classes but do not plan to receive credit. Grades are not kept for these students. All audit students must register formally, however, and must indicate audit status on the registration form. All fees must be paid before an auditor is granted permission to attend class and there is no refund if a student so classified withdraws. Students registering for audit purposes may not change to credit status after the class has started. Only upon recommendation of the instructor and the endorsement of the Coordinator of the Evening College may a course being taken for credit be changed to "Audit" in which case no refund will be made after June 21.

All tuition must be paid in full or satisfactory arrangements made (in case of tuition assistance papers) with the Business Office BEFORE class attendance is permitted.

Make checks payable to CHRISTOPHER NEWPORT COLLEGE. Checks for Post-Session cannot be accepted until AFTER JULY 1.

REGISTRATION PROCEDURES:

With the form included in this bulletin, it is possible to register by MAIL. Forms are also available in the Evening College office for registration in PERSON. MAIL REGISTRATIONS SHOULD BE POST-MARKED NO LATER THAN JUNE 10.

College students desiring to take credit courses are urged to obtain approval for their work in the Summer Session from the appropriate Deans or Department Heads. See page 8 of this bulletin where provision for this is made in CERTIFICATE OF GOOD STANDING. Certificates of Good Standing are required for all students—credit, non-credit, or auditors. For more complete descriptions of courses, either call or mail requests to the Evening College office.

Former Evening College students and former Day College students in good standing may register by mail to be postmarked not later than JUNE 10. Currently, over half of the Evening College enrollment is accomplished this way.

New students with all application forms properly filled out may enroll by MAIL, to be postmarked not later than JUNE 10, or in person during regular office hours. See schedule elsewhere in bulletin.

An acceptance letter will be sent to all registrants indicating their status as either FULLY or CONDITIONALLY accepted.

FULL ACCEPTANCE means the student is in good standing and/or has a Certificate of Good Standing on file.

CONDITIONAL ACCEPTANCE means the student may attend class(s) but no grades or credits will be given until a Certificate of Good Standing is on file in the Evening College office. Deadline for this is the end of the session. It is the responsibility of the student to provide CGS forms.

Military personnel on active duty are urged to contact their education officers for tuition assistance BEFORE coming to register.

Veterans in the local area wishing to use their GI Bill benefits should call 245-3521, the local VA office, for information regarding tuition assistance. Applications and information are also available in the office of the Coordinator of Admissions at Christopher Newport College.

Summer Session students may register for a maximum of 12 semester hours of credit for the entire Summer Session.
