**CHRISTOPHER
NEWPORT
UNIVERSITY**

Christopher Newport University students take great pride in their University and look forward to sharing with you the energy, excitement, enthusiasm and Captain's spirit that will abound during CNU's 2008 Family Weekend, October 10-12.

This festive annual event provides CNU with the perfect opportunity to recognize and celebrate those dedicated family members — parents, grandparents, sisters and brothers — who contribute so much to each student's success.

Please make plans to join us for many of the special activities we have planned. You will have the opportunity to learn more about our study abroad initiatives and engage in conversation with our award-winning faculty members. Tour our beautiful campus and state-of-the-art facilities — enjoy a snack and a Starbucks coffee in Einstein's Café as you visit the new Tribble Library. And you won't want to miss Saturday's family-style tailgate party followed by exciting football action as we cheer the CNU Captains on to victory over Greensboro College. You can even conclude your evening with a memorable performance by Grammy Award winner Natalie Cole in the Ferguson Center for the Arts!

Family support is vital to the success of our students. We are pleased and honored to partner with you in this important endeavor and hope that you will allow us to show our appreciation as we gather for this special event. Come and be our guests — we promise a warm, welcoming weekend as you make rich, lasting memories with your sons and daughters.
