Spring 2011 Genocide and Human Rights Program

Wednesday, April 6, 2011
7 pm, DSU Boardroom

Who is a victim? Who is a collaborator? What are you willing to do to survive? This award-winning drama is based on the secret plan by the Nazis during the Second World War to coerce Jewish prisoners to counterfeit foreign currencies and destabilized Allied economies. The audience is invited to participate in a brief discussion following the film.
