Colleagues and Friends,

I am pleased to announce the third lecture of a very special speaker series titled "A Captain's Life," sponsored by the Alumni Society. This series invites alumni back to campus to share their life and career experiences with current students and the university community.

Please join the Alumni Society on Thursday, March 19, at 12:30 p.m., in Gaines Theatre to hear Jeremy Hanes '09 deliver "Continuing Your Education While Living a Life of Significance."

Jeremy's experience at CNU paved the way for his master's degree and PhD while laying the foundation for what it means to serve others in the community. Moderated by Dr. Graham Schweig, Professor of Philosophy and Religious Studies.

On behalf of the Alumni Society, thank you for spreading the word, and I hope to see you there.

Very Sincerely,  
Katie Monteith '11  
Alumni Relations Officer
