

Change #2

Rationale: Standardize handbook format and correct one mistake

Sections V, X, and XVIII have been reformatted to standardize them with the rest of the handbook. Only the outline letters and numbers were changed in the sections to accomplish standardization, **all other changes and revisions to the handbook have been indicated by a bold font.**

The formatting that we would like to have used is:

- 1.**
 - a.**
 - 1)**
 - a)**
 - (1)**
 - (a)**
 - i.***

In Section XVIII, in front of The Faculty Senate: Constitution and By-laws (page 160 in the 07-08 book), it states that the Constitution was last Revised March 1998, this should be removed.
