

Minutes of General Faculty meeting, Christopher Newport U.

Tuesday, 25 April 2006, SC150

President Tracey Schwarze called the meeting to order at 12:32.

- I. Certification of graduates (list available: http://facultysenate.cnu.edu/05_06/misc/maygraduates.xls) was moved, seconded, and passed unanimously.
- II. Schwarze reported on this year's activities (year-end report and executive summary respectively available, at http://facultysenate.cnu.edu/05_06/misc/yearend.doc and http://facultysenate.cnu.edu/05_06/misc/pres.ppt). She also reported on activities which will continue into the next academic year, and she announced the fact that the calendar for the 2007-08 academic year will probably be one week later than usual. There was some discussion of constraints being put on departmental budgets as we approach the end of the fiscal year, and the possibility of the Senate being able to appoint faculty representatives to the Budget Advisory Committee.

The meeting was adjourned at 12:50.
