Section 1: Requirements

In accordance with the rules of IHSA, during the show season, all riding members of The Equestrian Team of CNU must take at least one lesson per week with the official facility and/or coach of the team in order to maintain their eligibility for competition in IHSA. Lessons will be paid in full to The Equestrian Team of CNU.

Section 2: Lesson Times

Lesson times will be decided at the beginning of the semester with a strong effort to accommodate the majority of students. Each rider is responsible for knowing and attending his or her lesson times. Riders must be at the facility no later than half an hour (30 minutes) before the lesson begins to prepare for their lesson.

Section 3: Private Lessons

Students who are unable to fit into any lesson time due to availability must take private lessons at an additional cost to the rider.

Article XIII: IHSA

Section 1: Representation of the Equestrian Team

There will be no unkind remarks toward any member, coach or other teams we compete against. This includes horses, riders, coaches, judges, stewards, and facilities.

Section 2: Competition Requirements

Full-time students / members of The Equestrian Team of CNU will be eligible to compete in IHSA shows. A full-time student requires at least 12 credit hours per semester

Section 3: Showing Time

Members must understand that they may or may not be chosen to show. This decision is made by our coach, Kelsey Emerson, based on the members standing with the team. This includes, but is not limited to, participation in socials, meetings, lessons, and the effort being put forth during lessons. It will also be based on Kelsey's decision of who will be point rider for that show.

Section 4: IHSA Rules

Riders, coaches and grooms must follow all IHSA rules while at shows.

Section 5: Grooming Requirements

Each new member of The Equestrian Team of CNU is required to groom at a minimum of one show per year. Duties include, but are not limited to, being in charge of the team bag, helping riders get ready for their classes and helping the coach with whatever she needs.

Section 6: Promptness

Riders, coaches and grooms must be at shows on time. If a rider or groom is late, this will jeopardize showing eligibility in the future and the rider will not be able to show on that day. The rider then becomes responsible for their own show fees that day and will owe the team double the amount of their classes.

Section 7: Late Response

If a member is chosen to compete at a show and is unable to make it after the entry forms have already been sent, he or she will be responsible for their show fees (once again, double the amount) if the coach is unable to find a replacement.

Section 8: Leaving Policy

There will be no leaving early from an IHSA show without expressed permission given by the President or Vice President, and will be only granted for significant reasons. When a member comes forward with a significant reason to leave, the President and Vice President are able to use their discretion to determine whether the member is granted permission. Otherwise, all team members will stay together until the end of the show.

A majority vote of the active members shall be necessary for the adoption of the amendments to the Constitution.
