

CNU Swim Club Constitution

Founded 2008

Last Edited: February 2022

Name of Organization: CNU Swim Club

Purpose: The CNU Swim Club exists to provide dedicated individuals with a passion for swimming the opportunity to compete against other schools in a relaxed environment as well as to promote and encourage physical fitness.

Membership: Membership in this organization is open to any interested student who is knowledgeable of all four strokes and can swim 200 yards. Our members are required to pay semesterly dues in order to pay for lane rentals and provide members with additional opportunities. Should a member default on these dues their membership will be terminated for that semester.

Categories of Membership include:

- *Active Practicing Member:* Members have paid dues. Active members are eligible to hold office in the club and will be eligible for using club funds for meet registration and entry fees. Depending on club funds in the spring, members receive apparel (t-shirt with dues).
- *Event-Only Member:* Member is unable to attend practices due to injury or time constraints, but still wants to attend social events and meets. Event-Only members **do not** have to pay dues, but must pay the meet entry fees directly to the Treasurer and other social event costs (if necessary). Ineligible to run for office if they are unable to attend practices.

CNU Swim Club shall not haze any prospective or current member for the purpose of admission into or affiliation with the organization. Members of the Swim Club of CNU are free to leave or dissociate without fear of retribution or harassment. The Swim Club of CNU shall not discriminate based on race, creed, color, sex, age, national origin, disability, or sexual orientation.

Meetings: This organization holds two types of meetings: weekly officer meetings and team meetings that are held as needed, determined by the president of the club. Quorum is required only at officer meetings, where 3/5 of officers must be present. The majority is 60% for officers, the team majority is 50% and issues can be voted on once a quorum is met. Officers are required to attend all meetings unless otherwise notified, or face removal from office pending probationary period. Members are also welcome to attend E-Board meetings as long as they give 24-hour notice.

Dues: Dues are determined on a bi-annual basis and are influenced by the previous fiscal year's costs. Overhead fees, meet entry fees, and other various costs help determine bi-annual team dues. Dues are collected at the beginning of every fall and spring semester. A trial period

of 1 week may be offered to any prospective member, after which time practice will be denied to the trial member pending receipt of payment. Waivers for both CNU (IMLeagues) and Midtown Aquatics Center along with CCS registration must be filled out prior to entry into the pool. Membership dues will not be refunded if a swimmer decides to leave the team. If an interested member does not have the financial capability to pay dues in full, then the member is expected to contact an officer in order to discuss payment options.

Payment plan options:

1. 50% by midterms, 50% by the end of November/March
2. Pay biweekly
3. Pay in full during the second week of practices

Dues can be reduced by 30% if:

1. Member can make only one in water practice for varsity sports (classes or work do not count for a reduction as they can be scheduled around swim practice).
2. A member joining after fall break or spring break in fall or spring semester respectively

Swim Meet Attendance: Swim meets are not required, but strongly encouraged. Only due-paying members or event-only members can sign up and attend meets. Event-only members must pay the meet entry fee while due-paying members do not have to. However, if a due-paying swimmer signs up for a meet and cancels after the meet entries are due (past the period that the president can retract them from the swim meet without penalty), then the swimmer is required to pay the price of the swimmer entry fee for the meet. If the fee is not paid, then the swimmer cannot attend practice and social events, until paid. It is up to the discretion of the E-Board to waive the fee pending extenuating circumstances.

Elections: Elections are held during March and are voted upon by current officers and due-paying/event-only members. All positions are annual and have a limit of 2 terms per position and a total of 3 years served on E-Board by a single person. Members seeking positions are expected to fulfill the following requirements prior to the election:

1. Members must fill out an application, which will be reviewed by the current E-Board. Applicants may run for up to three positions at once, but can only win one.
2. Before elections, candidates must attend at least one E-Board meeting.
3. Each potential officer must coach at least one practice before elections.
4. After elections, each officer must attend all E-Board meetings, and shadow their particular officer.

Elections consist of a vote by active members, where the candidate who gets the highest percentage of votes wins.
