NOTICE REGARDING EMERGENCY RESPONSE EXERCISE TO BE HELD AT CNU ON TUESDAY, OCTOBER 23, 2012

On Tuesday, Oct. 23, 2012, between 8-11 a.m., Christopher Newport University will conduct an operational exercise in conjunction with the city of Newport News. The purpose of this emergency exercise is to test local, regional, state and private entity plans, policies and procedures regarding the response to and management of a potential mass-casualty event that would cause a medical surge – in this case, a gas leak/explosion scenario.

Oct. 20-24 is Fall Recess for students at CNU.

Please be advised that, between 8-11 a.m. on Tuesday, Oct. 23, people in the vicinity of campus may see/hear the following:

- Activation of the campus siren system/voice message broadcast
- Emergency vehicles entering/leaving campus
- A large number of emergency personnel and other participants on campus grounds

Thank you for your understanding as we conduct this annual emergency response exercise.
