

PROGRAMS FOR CONCENTRATION AT CHRISTOPHER NEWPORT
COLLEGE LEADING TO FIRST UNDERGRADUATE DEGREES 1969-1971

WHEREAS, The Board of Visitors of the College of William and Mary at its meeting on June 1, 1968 adopted a resolution approving at Christopher Newport College the escalation to a third-year level program for the 1969-70 academic session, whereby the first undergraduate degrees, Bachelor of Arts and Bachelor of Science, could be conferred at the close of the 1970-71 academic session, and

WHEREAS, This resolution adopted by the Board stated in part:

That careful consideration be given by the President and Dean of the College to the number and type of concentration programs which will be offered at Christopher Newport College, in order that only those concentration areas should be approved in which Christopher Newport has qualified faculty, adequate library holdings and justifiable registration, and that when the preparation of the academic concentration programs has been completed, such programs will be submitted to the State Council of Higher Education for consideration and approval, and

WHEREAS, The Faculty of Christopher Newport College in consultation with the Branch College Liaison Officer has carefully developed a program for escalation to third and fourth-year concentrations in several fields, formally approving the curricula in these concentrations at its meeting on October 29, 1968, and the Provost of Christopher Newport College has also approved these concentrations and transmitted them to the President of the College of William and Mary, and

WHEREAS, The President, Vice-President, and the Branch College Liaison Officer, after careful consideration of these proposed concentrations together with the present and future resources of Christopher Newport College in faculty, students, library holdings, and physical facilities, presented these concentrations for review to the Education Committee of the Board at its meeting on November 9, 1968, and

WHEREAS, The Education Committee of the Board at its November 9 meeting approved the recommendation of the proposed concentrations in biology, English, government, history, and psychology,

NOW, THEREFORE, BE IT RESOLVED, That the Board of Visitors of the College of William and Mary approves the escalation to third and fourth-year, undergraduate degree programs at Christopher Newport College with concentrations in biology, English, government, history, and psychology beginning in the 1969-70 academic session, and authorizes the President to request approval of the State Council of Higher Education for these programs,
