After an extensive national search, a new Director of CNU Athletics has been chosen. Mr. Todd Brooks is currently the Director of Athletics at Berry College in Mount Berry, Georgia where he has worked for over 15 years. In addition to being the Director of Athletics, he was the Head Men's Basketball Coach until 2002. Under his leadership, he successfully led the growth and expansion of intercollegiate sports and athletic facilities at Berry by adding 10 men's and women's sports, including football, and led the efforts to move Berry from the NAIA into the NCAA Division III. He was also the Athletic Director and Head Men's Basketball Coach at Piedmont College in Georgia and was the Dean of Students at Tusculum College in Tennessee.

Mr. Brooks was chosen from among a pool of over 100 applicants and comes highly recommended among his peers. He and his wife Laura have two sons. He will begin work on June 17th.
